

Leadership training helps young people to:

- contribute to their community
- be ready for employment

1

Sale West Youth Leadership Pilot

- 36 Year 12 students
- 3 x 10-week course

Course included how to coach and lead young people and design/run activities.

Good leaders get on with others

Leadership is about building and managing relationships, self-discipline, communicating well and being flexible, creative, and emotionally intelligent.

2

Volunteering and training

Community Christmas lunch 2018

12 Year 11 students served meals, ran the bingo and more to deliver a tasty meal for isolated local people.

Trafford Volunteer Award 2019

For two students who've given over 100 hours each.

Level 1 course

Wide range of skills and challenges.

More than the usual suspects

The young people who volunteered and trained with CUP include people from disadvantaged backgrounds (eg looked after children).

3

Munch Club 2019 - local employment in a local project

Four students worked for three weeks delivering a summer play scheme for local kids

Crafts, games, sports and a tasty meal - Munch Club is a great local project that helps to fight holiday hunger.

Four students used their leadership training and volunteering experience to get paid work in their local community.

A great project delivered for the local community

Skilled, responsible young people were employed to deliver a good quality community project.
